WORK EXPERIENCE

CS TUTOR @ PASSAIC COUNTY COMMUNITY COLLEGE OCTOBER 2017 - MAY 2018

Worked closely with multiple computer science students to tutor in Data Structures, Algorithms and Introduction to programming. Successfully analyzed and debugged code in C++, Python, JS and PHP written by many different individuals and provided feedback.

WEB DEVELOPER & DESIGNER @ WOODPECKERS' INC March 2015 - SEPTEMBER 2017

Developed their main website (www.woodpeckers-furniture.com) using PHP & MySQL. Later on, I developed another redesigned concept of their main website. (beta.woodpeckers-furniture.com). In addition, I designed catalogs, posters and flyers for their products using Photoshop and InDesign.

WEB DEVELOPER & DESIGNER @ BETTER HOME PRODUCTS DECEMBER 2016 - MARCH 2017

Developed their e-commerce website (www.better-homeproducts.com) using WordPress and WooCommerce. Promoted their business on Google AdWords and Facebook. Managed their Social Media Accounts. Listed their furnitures at eBay and Amazon. Developed an eBay listing template for their products.

SELECTED PROJECTS

Please visit my website jordandavila.com to view more projects

Even Monkeys Count / Puzzle Game

IOS & Android: nyanku.com/evenmonkeyscount

Highly Addictive Puzzle Game. Build with C# and Unity3D. Designed with Adobe XD. Available on both IOS and Android.

MyNotes / Note Taking Web App

Repo: github.com/Jordan-Davila/mynotes

Demo: mynotes.jordandavila.com

Developed using Laravel 5.6. Designed using Adobe XD. MyNotes is a small school project builded in 3 days. It was designed to be simple to use and with one purpose in mind: creating colorful notes. Visit Repo to view login credentials.

EDUCATION

IT / WEB TECH @ PASSAIC COUNTY COMMUNITY COLLEGE 2016 - 2018

Best in the field. Became a Computer Science Tutor in my second year. Even though I'm a recent grad, before college I've had 3 years of experience working as a Freelancer.
